I wanted to remind everyone that it is against landfill regulations to have grass and leaves mixed in with your trash. Please refrain from putting any of this in your trash bins as it could cause issues for the companies picking the trash up and taking it to the landfill. If you have questions, please contact Stephanie at the Village Office.

Just a reminder: Under Statute 60-6,381, any person operating a golf car vehicle on a public road must hold a valid Class O operator's license. A Class O license is Nebraska's standard driver's license, which can be issued at age 16. This means you need to be at least 16 years old to drive a golf cart on public roads in Nebraska. No exceptions for younger drivers are provided in the statute.

With mowing season now in full swing I thought now would be a good time to remind everyone that it is the resident's responsibility to maintain yards all the way to the curb. You must keep the curb surrounding your property free from weeds and grasses growing at excess length. Also with that you must keep all area's around sign posts and fire hydrant's free from weeds as well. Violations will be turned over to York County Sheriff's Office. If you have questions please contact Stephanie at 402-736-4634. Thank you for your cooperation!

Please *DO NOT* blow grass clippings into roadways and alleyways while mowing.

With warmer weather arriving we have more children out playing. Please slow down and watch for children playing!

Parents: please have a conversation with your kids about picking up after themselves at the park. We have had a lot of issues recently of trash, clothes, etc. being left in the park. Also, I have gotten a lot of complaints of kids messing around on private property and being places they shouldn't be, this would be a great time to remind all children to stay off those areas. We appreciate your help with this.

We have been having some issues with bills getting to the resident's. We do apologize for the inconvenience with the mailing system delays. We are working on figuring out another option, in the meantime you are welcome to contact the Village Office at 402-736-4634 or stop in and I can print another copy for you at any time during business hours. Thank you for your patience.
