Village Utility Superintendent Job Description

To apply contact: Bradshaw Village Office 402-736-4634, or email resume to: villageofbradshaw@bradshawne.com

The Village Superintendent is an independent position responsible for overseeing and managing the village's public works and infrastructure. They typically supervise utility assistant, manage budgets, coordinate projects, and ensure compliance with regulations.

Here's a more detailed look at the responsibilities and qualities of a Village Superintendent:

Key Responsibilities:

Supervision:

Oversee all operations of the Public Works Department, including maintenance, construction, and utility services under the direction of the Village Board.

Planning and Coordination:

Develop long-range plans for the department's needs, coordinate projects with other village departments, and ensure compliance with relevant regulations.

Budget Management:

Prepare and manage the annual budget for the department, ensuring responsible spending and adherence to financial constraints.

Maintenance and Repair:

Oversee the maintenance and repair of village infrastructure, including roads, utilities, parks, and buildings. Must have the ability and knowledge to operate heavy machinery and equipment.

Customer Service:

Address resident complaints and concerns related to public works services and ensure timely and efficient responses to issues.

Project Management:

Manage and oversee public works projects, from planning and design to construction and completion.

Safety:

Ensure a safe work environment for all employees and contractors and comply with all applicable safety regulations.

Community Relations:

Interact with the community, elected officials, and other stakeholders to promote effective communication and collaboration.

Required Skills and Qualities:

- **Leadership and Supervision:** Can work independently, and to motivate, direct the utility assistant.
- **Planning and Organization:** Strong ability to plan, organize, and prioritize tasks.
- **Problem-solving:** Ability to identify and resolve issues effectively.
- **Communication:** Excellent written and verbal communication skills to effectively convey information to diverse audiences.
- **Technical Knowledge:** Understanding of public works principles, construction practices, and relevant regulations.
- **Budgetary Skills:** Ability to prepare, manage, and monitor budgets effectively.
- **Customer Service:** Ability to handle resident inquiries and complaints with professionalism and efficiency.
- **Interpersonal Skills:** Ability to build and maintain positive relationships with colleagues, contractors, and the community.
- **Education:** High school graduates at a minimum, and any combination of experience and training will apply.
- **Special Requirements:** Must become certified as a Class IV Water Operator and Wastewater. Training paid for by the Village.

Benefits: Insurance stipend, IRA 3% match, PTO, and vacation. Starting wage will be based on experience.

In summary, the Village Superintendent plays a critical role in ensuring the safe, efficient, and effective operation of the village's public works and infrastructure, while also serving as a key point of contact for residents and stakeholders.
