Please ***DO NOT*** blow grass clippings into roadways and alleyways while mowing.

With mowing season now in full swing I thought now would be a good time to remind everyone that it is the resident's responsibility to maintain yards all the way to the curb. You must keep the curb surrounding your property free from weeds and grasses growing at excess length. Also with that you must keep all area's around sign posts and fire hydrant's free from weeds as well. Violations will be turned over to York County Sheriff's Office. If you have questions please contact Stephanie at 402-736-4634. Thank you for your co-operation!

Residents: I would like to remind everyone that the only thing that can go into the tree pile is trees and branches. Grass pile is just for grass, shrubbery, garden waste. We have seen more trash and garbage being mixed in with the piles and the village can get in trouble with the state for that. Please be aware of what you are dumping down there. License plates get turned over to York County Sheriff's Office for citation of illegal dumping as needed.
