Welcome to Bradshaw

We are so pleased that you have selected the Bradshaw Community to live, work, and for some of you, to raise a family.
Going back in history, it was in 1880 that the town was named after the wife, (Mary Bradshaw Richards) of the owner of the land where the town was established. Times were different back then, but some things never change. As in the past, the men and women of our community want what their predecessors wanted and worked for— food and shelter for their families, love and security for those they cared for, access to education, a spirit of kindness and cooperation in the community and a little fun along the way.
We are so happy that you are part of our Bradshaw Community.
